Dear Mr. Lannigan:

The Capital Projects Advisory Review Board's Project Review Committee has determined that the Washington State University has met the criteria established in Chapter 494, Laws of 2007, (2SHB 1506) for public body project approval.

Washington State University is hereby authorized to utilize the Design-Build (D-B) alternative contracting procedure for the Clean Technology Laboratory Building (CTLB). Under the terms of the law you will be required to submit project data to CPARB during the delivery of the project. Please identify your point of contact for supplying required project data information to CPARB staff person, Danelle Bessett, at danelle.bessett@dshs.wa.gov.

Congratulations on the approval of your application and good luck with your project!
