

Signature of Authorized Representative

In submitting this application, the undersigned authorized representative of the University of Washington understands that the PRC may request additional information about the University, its construction history, and the experience and qualifications of its construction management personnel. We agree to submit this information in a timely manner and understand that failure to do so shall render this application incomplete.

Should the PRC approve our request for certification, we also agree to notify CPARB when the University approves the construction of a project using the alternative contracting procedure(s) for which we are certified; and to participate in brief, state-sponsored surveys at the start and completion of each of these construction projects. We understand that this information will be used in a study by the state to evaluate the effectiveness of the alternative contracting procedure(s).

Name (please print) Richard K. Chapman

Title: Associate Vice President, Capital Projects Office

Date: June 29, 2007
